**Bio:**

Luc Arsenault is a composer of film, television, and concert music. For two decades he has scored numerous programs, in a large variety of styles and genres. Scoring highlights include the CBC TV animated series Chilly Beach and Maple Shorts; feature films Dex Hamilton: Fire And Ice, and Dex Hamilton And The Doomsday Swarm.

After picking up a guitar at age 12, Luc was hooked. While banging away at rock and metal tunes and honing his musical skills, he found his way to all kinds of music, and in particular fell in love with orchestral and film music. Luc went on to study composition and classical guitar at the University of Ottawa (B. Mus.), and then earned a Master of Music degree in Composition from Western University (London, Ontario). In Nov. 2004, Luc was nominated for a Gemini Award for his original score for the season 1 Chilly Beach episode: Invasion Of The Beer Snatchers.
