

DEVIN ROTH (BC)**Objective / Statement:**

Over the past 2 years I have been responsible for organizing and running the monthly film score study group for the guild and as a member of the SCGC board I will continue to focus my efforts on events, education, and resources for our members. My diverse experience as a composer, orchestrator, music educator, and audio programmer will be a great resource in developing the future direction of the guild and the policies that will affect us as composers and Canadian citizens.

Bio:

Composer, orchestrator, music educator, and audio programmer, Devin Roth, has contributed to the music for a number of noteworthy films and television shows including Trollhunters, Hotel Transylvania 2 and Ice Age 5. Devin has collaborated with many well-known composers including Gustavo Santaolalla, Mark Mothersbaugh, and Tim Davies. As an educator, Devin is the head of the piano department at Vancouver International School of Music where he teaches piano, theory, and composition. Devin is also the founder of Existential Audio Inc. and is responsible for developing BlackHole: Virtual Audio Driver. Devin earned a Certificate of Film Scoring from University of California Los Angeles, Masters in Jazz Composition from New England Conservatory and Bachelors in Jazz Piano performance from McGill University.

Devin lives in Burnaby, BC along with his wife, Jenn, and their three children, Miles (age 7), Finnley (age 4), and Violet (3 months).
