

**GAGAN SINGH (ON)****Objective/Statement:**

*Since I began my career in music, I have been advocating for Screen Composers and Music Creators to receive fair value for our work. I have also been very passionate about Diversity, Equity and Inclusion to become more prevalent in the day to day workforce of our creative industry. Over the past three years, I have been working on various committees including the Membership Committee, the Diversity, Equity & Inclusion Committee as well as the DigComm Committee. I have also been co-hosting our renowned "Ask Me Anything" segments which gained popularity over the past couple of years. If I have the honour of continuing to serve on the Board of Directors of the SCGC, I can assure you I will work diligently to make sure our membership community is brought value and respected and cherished across our country.*

**Bio:**

Gagan Singh is Screen Composer and Record Producer who has composed and produced Award-Winning soundtracks and scores, recently being awarded Best Soundtrack for the Music for "An International Girl" from the New York International Film Awards. He has also been invited to speak at many prestigious stages, including as a TEDx keynote speaker to speak on Music for Media and currently manages production for Canadian labels Hard Music Design & Graffiti Alley. He is currently serving on the Board of Directors of the SCGC as an Officer to the Board.
