

**JEFF YOUNG (BC)****Objective / Statement:**

*Jeff has worked with many organizations in the furtherance of composer's rights.*

**Bio:**

Young has been a composer for three feature-length films and numerous short films, and was the lead surround mix engineer for three major videogames produced by Radical Entertainment in the 1990s, the most notable of which was the *Simpsons Hit and Run*. In addition, Jeff has been an entertainment lawyer for over 30 years in Canada and over a decade in California. He has represented a number of Grammy and Oscar winning artists and performers over the years. He was also one of the two entertainment lawyers to represent the 2010 Olympic Winter Games in Vancouver. Jeff regularly advises those in the music industry on legal matters in Canada and America.
